Boston, MA ([PRWEB](#)) October 30, 2012 -- Customers looking for [tenant background checks](#) or criminal records through EvictionRecords.com now have more opportunities than ever to keep informed of the latest tenant screening news, company happenings and developments. Now, EvictionRecords.com customers and interested clients can find news and updates about tenant background checks, eviction checks and criminal records on the following social media networks: Delicious, Facebook, Foursquare, Flickr, Google+, MySpace, Pinterest, Reddit, SlideShare, StumbleUpon, Tumblr, Twitter, WordPress and YouTube.

Facebook — As one of the world's most recognized social media platforms, EvictionRecords.com keeps its Facebook page updated with the latest news and tenant screening information. Customers can find out about the latest deals and sales through status updates, will also be able to see the company's photos and videos as well as reach out through timeline posts and private messages.

Flickr — Customers who are more interested in the visual aspects of EvictionRecords.com can connect on Flickr. Photos are shared and are listed by relevance and interest. It is a great visual way to connect to a company that does serious business for its customers.

[Google Plus](#) — For EvictionRecords.com customers and interested clients, this social network affords the opportunity to hang out, read the blog and connect with customers. Through Google Plus, customers can easily connect with company representatives and get answers about the products and services offered.

Pinterest — This social media network has exploded in popularity during the past year, and customers love the fact that they can pin easy fact sheets and articles about tenant background checks and tenant screening criminal records.

SlideShare — Instead of reading lengthy paragraphs of content, get a quick rundown of news and information we provide on SlideShare. It's the equivalent of sitting in a board room with top executives, seeing a personal presentation on everything EvictionRecords.com can provide. However, it's even better, because you can enjoy this presentation in the comfort of your own home and when it is convenient for you.

StumbleUpon — StumbleUpon is the Internet's answer to procrastination and boredom — with the click of a button, any user will find a new website that is interesting to them. EvictionRecords.com allows its customers to "Stumble" its pages so that they can share our services and information about our company to friends, family and acquaintances across the country. Many people do not realize how convenient it is to obtain criminal

records.

**Tumblr** — In this blogging platform, customers are provided with the latest news about EvictionRecords.com as well as interesting images, videos and other online media bits.

**Twitter** — Quite possibly the most relevant and popular social media site of our time, follow Eviction Records on Twitter to get instant, quick updates about the company. Look for information on sales, products and exciting news.

**YouTube** — For our visual clients, videos often are a great way to explain the benefits of obtaining tenant background checks and criminal records. Our YouTube channel features a variety of interesting clips that our clients will find beneficial.

EvictionRecords.com aims to offer customers virtually every way to connect, so that they can choose how, when and where they want to use the tenant screening services. For more information about [social media websites](#) please visit EvictionRecords.com.
