

EvictionRecords.com Earns Tenant Screening Industry Voting Rights within NAPBS

Recently, EvictionRecords.com by Screening Intelligence has become a voting member of its top industry professional organization, the National Association of Professional Background Screeners. As a regular member of the organization, EvictionRecords.com will have the opportunity to learn about the latest technologies for the [tenant screening industry](#) while at the same time have a say in the most important tenant screening industry decisions.

Boston, MA ([PRWEB](#)) February 26, 2013 -- The [National Association of Professional Background Screeners](#) has more than 300 members in its organization, and now EvictionRecords.com has been added as a regular member in good standing. This means that the company has voting rights within the professional organization, which is committed to advocacy, training opportunities and providing educational materials and resources for its members. The organization, otherwise referred to as the NAPBS, is the top professional organization for those who provide [tenant screening](#) services and national tenant checks.

There are three different membership tiers within the NAPBS organization. Regular members are the only members who have voting rights in the organization, and regular membership is limited to those companies that actually provide background checks and tenant screening services. However, affiliate members and associate members are welcome to join the organization. Examples of affiliate and associate members include public records officials, insurance agencies, consulting firms and data providers. The NAPBS promotes networking within its organization, allowing all parties interested in and affected by the industry to work together toward a common goal.
